

GROCERY INDUSTRY

Kickstart your
business by turning
your vision into
**profits through
dynamic solutions**

Get more to go on™

Achieve growth and increased market share with a partner that offers convenience, differentiation and value

Disruption is the new norm for the grocery industry as it navigates both brick and mortar and digital channels. They are under constant pressure to re-think ways to manage the challenging economic conditions, consolidation, and changing customer demands. Quattro understands the challenges faced by the food industry and offers turnkey solutions with flexible, high-touch service options. We do this to help you reduce costs, enhance supply chain management, lower inventory risks and losses while managing tax and regulatory compliance to a high degree of accuracy. Our clients have greater control and a higher level of visibility as we identify and eliminate process inefficiencies, inject best practices, and enable them to make quick strategic decisions that capitalize on opportunities in this highly dynamic and competitive market.

Leverage accounting best practices and highly trained accounting professionals with deep domain expertise

Obtain financial and industry insights through regular meetings with a Trusted Advisor

Review financials in as little as 5-10 days after the period end

Leverage business intelligence tools for making agile business decisions

Focus on the strategic objectives of their core business while leaving the management of the back-office functions to highly trained accounting experts

By partnering with Quattro, organizations are empowered to:

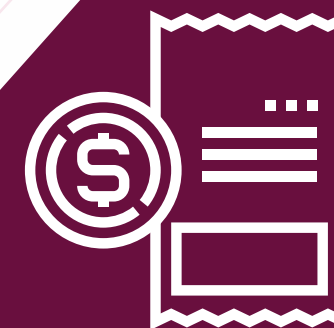

2,800+

Financials Delivered
Each Month

1 million+

Bank Transactions
Reconciled Each Month

1.5 million+

AP Invoices
Processed
Each Year

We give you **more to go on** by empowering businesses to focus on evaluating business performance – improving existing revenue streams while identifying new ones to drive profitability and customer service – on-time and on-budget.

What does Get More To Go On mean for your business?

For a Business Leader, and effective decision-making, it means three things:

SEE FURTHER

BECAUSE YOU CAN'T
MAKE REAL-TIME
DECISIONS WITH
OUT-OF-DATE DATA

SCALE SMARTER

BECAUSE IF THE
BACK OFFICE CAN'T
KEEP UP, THE FRONT
OFFICE WON'T

STAND STRONGER

BECAUSE YOU MAKE
BETTER DECISIONS
WHEN YOU STAND ON
STRONGER SUPPORT

Quattro seamlessly monitors the pulse of your business. Provides access to real-time information, anytime and from anywhere. Delivers information and insights to drive business decisions and results.

Get more to go on

QBSS is a tech-enabled, cloud-based business support services outsourcing firm that's changing the way companies think about finance, accounting, HR and technology services.
