

MANUFACTURING INDUSTRY

Generate business value and drive innovation with **best-in-class solutions**

Get more to go on™

Deliver performance and dependability through highly engineered quality and processes

The manufacturing industry is under increasing pressure to do more with less, and organizations are on the lookout for avenues to improve efficiency, cut costs and rapidly transform processes. We utilize deep domain expertise, data-driven solutions, proprietary tools, and leading technology solutions for Finance & Accounting functions, Human Resource Management and Technology Services that help you remain focused on your customers, products, and supply chains.

By partnering with Quattro, an accurate and reliable service provider, manufacturing companies can achieve multiple goals:

Focus on department transformation without disrupting operations

Savings from supplier rebates and discounts by avoiding delayed payments and the ability to pay on time, every time, without hurting cash flow

Deliver superior supplier experience, supported by automation, with real-time visibility on invoices and financial data

Accrue the benefits of reliability and certainty in service delivery without investing internally in the technology, people, and processes needed to meet the demand

Leverage an experienced accounting team for repetitive tasks or by automating laborious tasks that need attention to detail, leaving your staff to focus on more strategic and analytical activities

Up to 40–60% reduction in operations costs utilizing qualified and experienced resources without sacrificing quality or timeliness

What does Get More To Go On mean for your business?

For a Business Leader, and effective decision-making, it means three things:

SEE FURTHER

BECAUSE YOU CAN'T
MAKE REAL-TIME
DECISIONS WITH
OUT-OF-DATE DATA

SCALE SMARTER

BECAUSE IF THE
BACK OFFICE CAN'T
KEEP UP, THE FRONT
OFFICE WON'T

STAND STRONGER

BECAUSE YOU MAKE
BETTER DECISIONS
WHEN YOU STAND ON
STRONGER SUPPORT

Quattro seamlessly monitors the pulse of your business. Provides access to real-time information, anytime and from anywhere. Delivers information and insights to drive business decisions and results.
